

David & Jenn Kelley

Serving at the International Christian School of Budapest

David and Jenn Kelley are endorsed missionaries with WorldVenture serving in Hungary. Dave is a Social Studies teacher and will be teaching middle schoolers at the International Christian School of Budapest (ICSB). Students at ICSB are from over 20 different countries including nations that are more difficult to access.

Their vision is three-fold. First, they aim to **support the missionaries** whose children attend ICSB by giving their students a world-class education (Acts 6:1-7). Second, they will **encourage and equip Christian students** by modeling a life devoted to Christ and by challenging them to think critically from a biblical worldview (2 Tim 3:10-17). Third, they will purposefully, by their lives and speech, **share the good news** of the hope of Jesus Christ with students who do not know Him (Ro 10:13-15).
